

# FOUR-STROKE F25 *Next-Gen Efficiency*

This new generation outboard is not only an improvement on the four-stroke model it replaces, but also exceeds the all-round capabilities of Yamaha's legendary 25 two-stroke outboard. For the first-time in Yamaha's four-stroke history, the new F25 comes with battery-less fuel injection – delivering easier starts, better fuel economy and an improved overall operating performance.

## ENGINE FEATURES

- 432cc two-cylinder engine.
- Yamaha's first battery-less electronic fuel injection.
- Variable trolling for low speed lure fishing.
- Forward control or tiller options.
- Available in electric or pull start and manual or power trim and tilt.
- Exclusive YDC alloy for maximum corrosion protection.
- Freshwater flushing device for easy and quiet maintenance.
- Compatible with all of Yamaha's premium colour and digital gauges.
